From Local Farms to Local Families

Turner Dairy Farms has an exclusive partnership with 50 local family dairy farms, all located within 70 miles of our processing facility, to supply us with the highest quality, "rBGH free" milk.

We understand the importance that local agriculture has on the socioeconomic foundation and economic sustenance of Western Pennsylvania and we're proud to have been supporting local Western PA agriculture for 80 years!

Our local farmers pledge: No Artificial Growth Hormones

Turner Dairy Farms is proud to produce the highest quality "rBST/rBGH free" milk products.

THANK YOU!

2010 marks our **80th Anniversary!** In that time we have come to realize that what uniquely defines **Turner Dairy Farms** is our passion for setting a **higher standard from the farm to the bottle.**

We thank you for choosing to support Turner Dairy Farms, our **local Western PA family dairy farms**, and our **local employees.** We truly appreciate your support!
